**Committee:** GLASS - International Committee for Museums and Collections of Glass

**Selected Session:** C-10 - GLASS

**Session Title:** Updated on GLASS/ General Assembly

**Short description:** This session continues our ongoing theme of « Updated on GLASS » . we will share a variety of recent achievements in glass art, whether they are recent research findings, new initiatives in your glass museum, or examples of research into the safe conservation and restoration of glass art.

In the subsequent General Assembly, the respective staff members will report on the year's activities, income and expenditure, publications, social media activities, etc., of GLASS. We are also looking forward to receiving more productive and fulfilling proposals regarding our activities.

**Call for Papers?** No
